GROUND CARE

SALES, SERVICING, AND AFTERCARE

When considering an upgrade or tool for the job in hand, we're here to help you to choose the best machine for your needs and optimal set-up. We'll take you through the most important considerations for you to make an informed decision.

It doesn't stop there, we're here to offer our help from delivery, installation, servicing and aftersales support.

Our knowledgeable engineers are employed year round within a dedicated groundcare service centre. The Pecks team is fully trained and equipped to service and repair lawnmowers, ride on mowers and groundcare equipment to the very highest standards.

Should you need a spare part or replacement wearing parts, our knowledgeable team will be happy to help answer your questions on any parts you may need. If we do not have the part in stock immediately we can certainly look into sourcing

To book your lawn mower service please use the QR code, email hort@peck.co.uk or complete and return this form
